

EIT FOOD RIS SOLUTIONS

HUNGRY FOR CHALLENGES IN THE FOOD SYSTEM?

EIT Food RIS Solutions is a new program for ambitious teams of students who want to be involved in solving industrial problems identified by program partners.

BENEFITS FOR TEAMS

- Help food companies find a solution for their industrial problems
- Join Foodhatons organized in Poland and Italy
- Pitch your idea to the jury of industry and science experts
- Get mentoring from international experts
- International networking with professors and experts from the food industry
- Financial support (costs of the travel and hotels for 20 teams)
- The best performing project will be highly promoted in other EIT activities
